

THINKING ABOUT LASIK?

Important
things you should
know before
you decide

This card will help

LASIK Guidelines for a Good Decision

Step One

READ OUR FREE BOOKLET TO:

- Find out if LASIK suits your personality
- Get answers to common questions
- Learn what LASIK can and can't do for you
- Understand why your focus must be on quality—not price

Step Two

SEEK OUR DOCTOR'S GUIDANCE TO:

- Help confirm that you are a candidate
- Perform an evaluation exam
- Refer you to a trusted surgeon
- Arrange for 6-12 months of follow-up care

Our office recommends and refers laser vision correction patients to the surgeons at Pacific Cataract and Laser Institute (www.pcli.com). Having performed hundreds of thousands of microsurgical procedures, they have gained a reputation among eye doctors as one of the premier eye surgery centers in North America.

0% financing and affordable monthly
payment options available

Contact our office to schedule an evaluation exam.
