

Surgery FEE SCHEDULE

Cataract Procedures

PER EYE

CATARACT SURGERY

Single-focus IOL—standard evaluation and surgery	approx. \$3700
Toric IOL upgrade—additional fee for screening tests and IOL	\$1000
Multifocal IOL upgrade—additional fee for screening tests and IOL; includes laser vision correction if needed and any enhancement performed within 6 months when benefits warrant risks	\$2050

Insurance plans do not usually cover the extra costs of IOL upgrades so fees for these services must be paid out of pocket.

EXTRA PRE AND POST-OP CARE FOR IOL UPGRADES (IF NOT PROVIDED BY REFERRING DOCTOR)

Toric IOL—post-op exams, in addition to standard 90-day care	\$100
Multifocal IOL—pre-op screening, exam and counseling in addition to standard evaluation	\$275
Multifocal IOL—post-op exams and counseling in addition to standard 90-day care	\$175

ASTIGMATISM CORRECTION WITH SINGLE-FOCUS IOL

Pre-planned laser vision correction within 6 months of cataract surgery	\$1000

Refractive surgery courtesy fees are available to ODs, their spouse, children, siblings, parents, and significant staff whom you have employed for at least one year. Courtesy fees are also available to OD-referred MDs, DOs, dentists, chiropractors, podiatrists, opticians, nurse practitioners, physician assistants, uninsured full-time foreign Christian missionaries, and uninsured clergy who receive 90% or more of their income from church pastoring.

These fees only reflect our charges. We encourage individual practitioners to establish fees and charge for the pre and post-op care they provide.
